

**DESIGN & MANUFACTURE
PERSONALISED & CUSTOMISED
GATES & PANELS**

PICKET FENCING

- Available in Pre-Galvanised Steel, with an oven baked, powder coated finish.
- Panel heights and widths can be custom made upon request.
- Custom made gates are also our specialty. Single, double and sliding gates (automatic gates) can be made to suit your individual and home requirements.

SECURITY FENCING

- Available in a variety of heights, widths & colours to suit your requirements.
- Manufactured in two material finishes; Pre-Galvanised / powder coated & Hot Dip Galvanised only.
- Security Fencing is extensively used around schools, commercial and industrial properties. A crimped spear top creates extra security around your premises.

DECORATIVE POOL

- Designed and manufactured to comply with the Australian standards for swimming pool safety fences and gates.
- Two basic material finishes:
 - Pre-Galvanised / powder coated - highly recommended for general gardens and front fences.
 - Aluminium / powder coated - provides premium quality, long life and is recommended for use around pools, including salt water pools and seaside living.

ANOTHER ALTERNATIVE - The Hand Rail

- Commonly used on balconies, patios, verandahs and stairways.

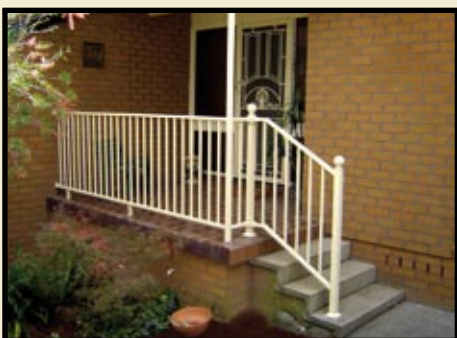

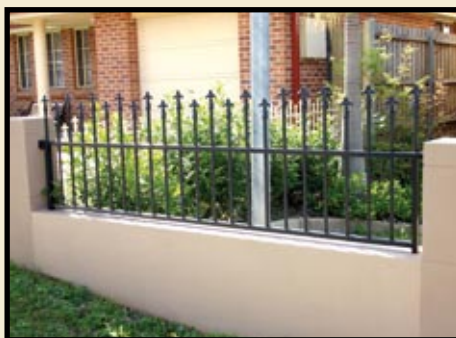

& GARDEN FENCING

- We can custom make to suit your own individual or council requirements for decorative panels and gates.

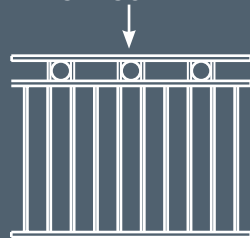

- Available in a variety of styles & colours to suit your own individual preferences and home requirements.
